

WEBSITE & INSTAGRAM PROPOSAL

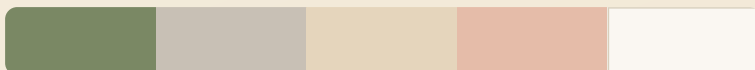

A Refined Digital Presence for Love Details

A complete website and Instagram management proposal for a premium event & wedding planning company in the UAE — built around a single, elegant colour palette that carries across every touchpoint.

Website Design

Instagram Management

ONE PALETTE, EVERY TOUCHPOINT

Objective & Target Audience

We will build a premium, fast, lead-generation-focused website and a consistently managed Instagram presence that attract and convert the right clients for Love Details.

- 01

Couples in the UAE searching for a wedding planner
- 02

Corporates looking for a professional event company
- 03

Indian families planning destination weddings
- 04

High-end clientele seeking luxury experiences

Website Pages We'll Include

A 9-page structure built for trust and conversion.

- **Home Page** — Luxury hero & CTA
- **About Us** — Company profile & trust
- **Services** — Corporate, Weddings, Destination, Private Events
- **Portfolio** — Real weddings & past events
- **Testimonials** — Video + text from clients
- **Packages** — Clear pricing & solutions
- **Venue Partners** — Dubai & Abu Dhabi venues
- **Blog / Resources** — Planning guides
- **Contact + WhatsApp** — Lead form + sticky button

Instagram We'll Manage

A feed and content system in the same brand language as the site.

- **Grid Strategy** — Cohesive, on-brand visual layout
- **Content Calendar** — Weekly planned posting
- **Highlights & Bio** — Services, contact, booking link
- **Reels & Stories** — Behind-the-scenes & real events
- **Caption & Tone** — Warm, premium brand voice
- **Engagement** — Enquiries routed straight to the team
- **Cross-Promotion** — Website ↔ Instagram funnel
- **Monthly Insights** — Growth & reach reporting

Colour Palette

Every page of the website and every Instagram post will draw from this single palette — soft, warm, and unmistakably premium.

Olive
#7A8864

Stone
#C8C0B5

Champagne
#E5D5BC

Bisque
#E5BCA9

Ivory Whisper
#FAF7F2

MOOD & STYLE REFERENCES

Palette in a Real Space

How the five tones sit together — soft, warm, editorial.

Instagram Grid Direction

Example of the cohesive, on-brand feed style we'll build.

Texture & Tone Mood Board

The soft, romantic, premium feel guiding photography & layout.

Post-launch tweaks included.

NEXT STEPS

- 1

Sign-off on sections — Confirm the website structure & Instagram scope above.
- 2

Brand & content prep — Gather photography, testimonials, and messaging.
- 3

Wireframes — Map out layout and content flow for each page.
- 4

Design mockups — High-fidelity visuals of homepage for your approval.
- 5

Development & Instagram setup — Build the site and launch the content system.
- 6

Launch + 1-month support — Go live and stay on hand for tweaks.

Ready to Build?
We're here to explain any part of this proposal — let's talk.

LET'S TALK

One brand language. One colour palette. One consistent experience — from the first Google search to the last Instagram story.
